4 ATTESTATION UPDATE

JCT issued an Attestation Update in February 2008 which is available from the JCT website (www.jctcontracts.com). It provides for an additional method of 'execution as a deed', method C signature by a single director, which was introduced by the Companies Act 2006 (with effect from April 2008). If this option is required the JCT Attestation Update document should be used instead of pages 10 and 11 in JCLI LWC 2008.

Note: This document incorporates (and therefore supersedes) the May 2008 Corrections document.
